RE: BECOME A SPONSOR OF THE SHARE WALK FOR REMEMBRANCE & HOPE

Share of Northeast Louisiana, a Pregnancy & Infant Loss Support, is planning our 1st annual Share Walk for Remembrance & Hope to remember and honor our precious little babies that have been lost. The walk will be held on June 2, 2007 at Forsythe Park in Monroe, LA. Registrants will participate in a memorial service with a balloon release and a 1 or 3 mile walk. The Walk will be held in conjunction with the Annual Celebrity Challenge Bass Tournament.

The National Share Pregnancy and Infant Loss Support has served bereaved families and caregivers locally, nationally and worldwide for 27 years. Unfortunately, 1 out of 4 babies will die due to miscarriage, stillbirth or infant death. Share's mission is to serve those touched by the tragic death of a baby. It is so important that families know that they are not alone and that there is support.

Share of Northeast Louisiana is a non-profit organization with goals of raising awareness to the community, to serve families who have lost a baby, to provide grief packets to local hospitals to be given to bereaved parents, to provide pamphlets to be given to parents and families by doctors and funeral homes and to hold workshops for local caregivers who deal with grieving parents.

Share of Northeast Louisiana looks to the community for much needed support. We would like to partner with you for this year's Walk and ask for your sponsorship. A \$50.00 donation will have your name listed in our program as a sponsor for this year's walk. Our success relies on the community's generous gifts. Should you have any questions, please don't hesitate to email me at ColleenH38@aol.com or call me at (318) 644-5216.

Thank you for making an impact in your community!

Sincerely,

Colleen Howard
President
Share of Northeast Louisiana, Inc.
